## **Another threat to ASR at Sands.**

**It has been brought to the attention of this Society that Banner Homes intend to present a plan for the development of the meadow opposite Carisbrooke Ave and Rydal Way.**

**Although this area is designated as an area of special restraint in Wycombe District Council's Strategic Plan (valid till 2011), Banner Homes intend to oppose this, and submit plans for a "Traditional Chilterns Village" on this site.**

**Those of you who live in the area, know that any development on this, one of the last green field sites in Sands has been resisted by this Society for many years. This is a blot on the landscape too far.**

**This has been sprung on the public at deliberately short notice, so that the presentation by the developer may be seen by the inspector to be relatively unopposed.**

**We therefore call upon as many of you as can possibly attend, to be at the Public Enquiry on Monday 2<sup>nd</sup> July at 10am at the Wycombe District Council Chambers in Queen Victoria Road to object to this underhand action.**

**According to the Plan, the Enquiry was supposed to run till the end of June, and from Tuesday to Friday only.**
